King Solutions Announces Change of Ownership.

Dayton, MN (March 26, 2021) King Solutions today announced the transfer of ownership from founder and long-time CEO Mike Patterson to Julie and Brett Andrich. The Andrich's together bring over 40 years of transportation experience to King Solutions. Brett Andrich has been with King Solutions for the past 18 years in a business development role. Julie Andrich is currently the CEO of Autumn Transport, Inc. and will transition to the role of CEO at King effective immediately.

"King has been my passion for many years, but I've decided that it's time to retire and spend more time with my family. I plan to travel, golf, and be available to Julie and Brett if they need me," said Mike Patterson. "I am certain that Julie and Brett will maintain the King Solutions commitment to excellence and community, and I am looking forward to watching the company grow under their leadership."

New owners Julie and Brett Andrich are excited to lead the King Solutions team and plan no immediate changes to King's operations. "We are thrilled that Mike has entrusted us to carry on the company he created. There is a great team in place, and together we will work hard to preserve the foundation of King Solutions while ensuring that the company keeps pace with the ever-changing transportation business."
